*and* BE TOGETHER

# Quarterly Health Attestation for Families

Before students come back to school, families will fill out a form ensuring they will not send their student to school if they have COVID symptoms or have been exposed to anyone who has COVID or COVID symptoms.

Click on this link then find the “Health Attestation” link

The screenshot shows the Bellingham Public Schools website. The logo at the top left reads "Bellingham Public Schools a collective commitment". The navigation menu includes "Connect Plan", "Skyward", "Calendar", "Forms", and "Office 365". A red navigation bar contains "About", "Schools", "Programs", "Families", "School Board", and "COVID-19 Info". The main heading is "COVID-19 Safety Agreement For Families". A sidebar on the left has a "Reopening" section with links for "COVID-19 Information", "COVID-19 Dashboard", and "COVID Resources". The main content area has a "Health attestation" section with the text: "Before attending in-person school, each family will screen their child at home for symptoms. We are asking families to please fill out this [health attestation](#) agreeing to check daily for symptoms of illness and to keep symptomatic children home from school. We will ask you to fill out and sign this form more than once this school year." A large blue arrow points from the top right towards the "health attestation" link.

# Daily Health Attestation

- Staff/Students/Volunteers must use the daily health attestation as they enter the building.
- Use a cell phone or access the link through your school website to communicate your current health status.

[Student Attestation Link](#)

# STUDENTS!

Use the QR code below to do your **DAILY** health attestation. Do this when you **ARRIVE** and when you **LEAVE** the school.

# Mask Wearing

[Mask Guidance from CDC](#)

- Always wear a mask when on school property
- Pack an extra mask
- Neck gators and masks with valves are not approved masks
- Mask must always cover nose and mouth
- Teachers and the office will have extra masks for students who need a mask or do not have an approved mask

# Hand Sanitizing

---

- Sanitize when entering the building.
- Sanitize when entering a classroom.
- Sanitize front and back of hands.
- Do not wipe sanitizer on clothes.
- Use sanitizer before and after sharing supplies.

# Hand Washing

---

- Always use soap
- 20 seconds under warm water
- Front and back of hands
- Wash your hands as often as possible

# Entering the Building

---

- When you come to school, please go directly to your *Advisory Class*
- Avoid causing any congestion in the hallways
- You will have an assigned seat in all classes to aid in contact tracing

# Moving around the building

- You will learn our specific plan for entering, movement between classes, and exiting that supports physical distancing. These plans and access points will come out soon.
- Exterior doors will remain locked during class time, except for the main entrance.
- If additional temporary main exterior entrances are designated for students entering at the beginning of the day, these locations will:
  - be monitored by staff
  - locked after students have entered the building
- Stairways may have directional arrows. Please follow these in order to give everyone the space they need.
- Keep a 6-foot distance as much as possible when in the hallways
- You will have 5 minutes between classes. Please move towards your next class as quickly as possible.

# Classroom Expectations

---

- ❑ All students will have an assigned seat in each class.
- ❑ Students will bring their device and charger to each class, each day.
- ❑ Make sure your device is fully charged BEFORE you come to school.
- ❑ Students will wear headphones to participate in class. They may bring their own headphones or use the school-provided headphones.
- ❑ Students will not have access to PE lockers.

# Bathroom Guidelines

---

- Teachers will allow one student at a time to use the bathroom
- Follow the maximum occupancy posted outside bathrooms
- Wait in hallway if maximum occupancy has been reached
- Use of bathroom during class time is preferred
- Be sure to wash hands before leaving the bathroom
- Bathroom use should not be connected to grades or points or class.

PREVENTION

Maintain  
physical  
distancing

SOURCE: WORLD HEALTH ORGANIZATION

## Physical Distancing

---

- Physical distancing is an important strategy for keeping us all safe
- Remember to keep a 6-foot distance
- Pay attention to directional markers in the building
- Physically distance inside and outside
- Respect the distance of others
- Put hands up to signal you need space

# Eating/Drinking

---

- **No eating or drinking in the classroom.**
- Students can ask to take a water break in the hallway and then return quickly to the classroom and sanitize their hands.
- Eating will be allowed outdoors at the picnic tables. If you take your mask off to eat or drink outside, please ensure you keep at least a 6-foot distance.

# Riding the bus

---

- Sanitize your hands as you get on the bus.
- Keep your mask on for the entire ride.
- Remain seated in your assigned seat.
- No eating or drinking on the bus.
- Windows may stay open.
- Always listen to the driver and follow their instructions.
